06/10/96 We were watching TV in the Roman Room (Living Room SW Corner of House) watched with movie on HBO (satellite) Boyz n the City had fallen asleep about 10-10:30. I took him up to bed in parents room. Put blanket over him and turned out lights. I went down stairs to check on Darvie. We talked about the boys not being able to stay here since yet because we were so busy with the baby right now. We talked about the business, bills and how Darvie was having a hard time with taking care of the baby (acc) today. Darvie said she wanted to sleep on the couch because she would sleep better because the baby would keep her awake. The boys were asleep with pillows + blankets on the floor. Devon was asleep face up in front of tv. and Damon was asleep between couch + coffee table. My other couch man was so I went upstairs to get her a blanket + pillow and came back down stairs to cover her up. We talked a little more.

About her going to Carman with some friends across the street and I gave her a kiss goodnight. Told her to dream about me and went up stairs around 1:00 am I went and turned on T.V. in our room and watched for 10 to 15 min. and couldn't sleep with it so I turned over took my eyeglasses off and turned T.V. off. I couldn't go to sleep for a while but finally I fell a sleep. Uncontistly I heard a noise and then Doreen screaming loud. She was yelling Deon! Deon!!! or my God Deon! I woke up quickly grabbed my glasses on the night stand and ran down stairs as fast as I could. Going into the living room (room) I ran over to Deon lying on the floor where he was when I saw him last and then I leaned down on him to see if he was hurt and then looked at the coffee table to see if it tipped over on him.

when I looked again at his chest there were two holes in his chest with blood and muscle peeing out. I stopped his face to get him to say or look at me. No response. I started CPR and when I blew into his mouth air came out of his chest. I blew 5 or 6 times and held my hand over both holes on his chest. Then when that didn't work I blew into one of the holes in his chest. I looked over at Darlene and she was on the phone calling 911. I ran over to Damon, laying in floor in hallway between wall & side of couch. ~~and~~ The ~~Doctor~~ ~~had~~ ~~no~~ ~~pulse~~ but I could not see any injuries. Police came in and I told them that my boys were STABBED and she told them that they went out the Garage. I ran upstairs to put my pants on, I looked on and ~~the~~ ~~Doctor~~ was crying and I felt relieved he was ok.

I noticed my wallet hitting pavement and all I could think to do was to go to [redacted] house for help. I needed someone to help secure and held the perimeter when they arrived. I went down stairs ran out the house and ran across the street to [redacted] + [redacted] above. I banged 5-6 times as hard as I could until [redacted] came to the door [redacted] and when I told them that Dean + Damon were stolen they were in shock and ran over with me to the house and that was when they were putting Damon on a stretcher. I knew that Dean was dead before I ran across street and saw Damon had no pulse but the paramedics revived him and put him in a stretcher and the front door I ran out yelling that we had to find

I never knew that she was there yet she had blood all over her from the neck ^{down} to the bottom of her night shirt she was standing in the doorway and the paramedics said she needed to go to the hospital so we helped her onto the stretcher and she said "Darin you know to promise me we will find this man!" He killed one BBG. I walked back in to house, pushed my way through the police and saw the knife in the box in kitchen w/ blood all over it. and went to garage to look at the window that the police had said he entered, and I went out of the house and walked across the street and [REDACTED] [REDACTED] them to
