**AFFIDAVIT OF FACT**

BEFORE ME, the undersigned authority, on this day personally appeared ROBERT C. LOHNES, who, being by me duly sworn on his oath, stated the following:

"My name is Robert C. Lohnes and I am fully competent to make this affidavit.

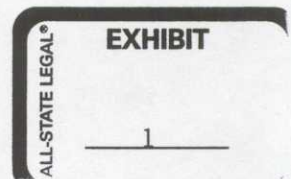

"I am a latent print consultant and attached hereto as Exhibit A is a current curriculum vitae.

"In my capacity as a latent print consultant, ABC News employed me to examine several photographs of latent prints identified to me as being from the criminal case against Darlie Lynn Routier in Dallas, Texas, including State's Exhibit No. 85-J. Applying the accepted standards of fingerprint analysis, I compared the photograph of No. 85-J to the print card of the subject Darlie Lynn Routier that is attached hereto as Exhibit B.

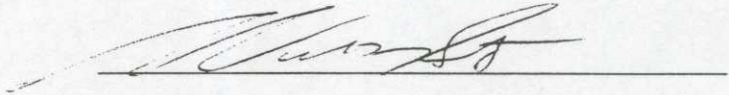

"It is my opinion that No. 85-J was not made by the person from whom the fingerprints on Exhibit B were taken."
